

Sunday Morning Prayer

Good morning, Lord. Thank you that today is a day You have made. I will rejoice and be glad in it.

Thank you for the privileged position you have given our family. I pray you would give my children an extra special blessing today and that they would see You and Your goodness today.

Please protect us from the evil one, both our family and our church family as well.

I pray over my husband, that he would have a peaceful morning. May He be filled with the Holy Spirit and may his words fall like rain on the hearts of the people as he preaches Your Word.

Holy Spirit, please draw people to church and to Jesus during the services. May Mark and I have the wisdom, grace and strength we need to effectively handle whatever comes up today. May we be sensitive and obedient to the Holy Spirit's promptings. May we see people with the eyes of Jesus and be willing and able to minister to whoever needs an extra touch from You.

Enable all of us at our church (especially the leaders) to truly be the body of Christ to each other, to be a church family where everyone is included.

May all the staff and volunteers use appropriate and effective communication. We invite the Holy Spirit to work in and through us and we pray God would be glorified in all that is said and done in each service today. In Jesus' Name and For His Sake, Amen
